Education about Transformation

ASDECS envisions transformational communities transforming communities in Asia and beyond. We seek to establish an enabling environment that builds the capacities of individuals and organizations to generate faith-based and experience-grounded paradigms and innovative approaches to transformational development and inter-cultural ministries.

About the Keynote Speaker

Charles Fleming is married to the love of his life, Carmen. He has a doctorate in Missional Leadership from Fuller Theological Seminary. He retired in 2019 from Grace Communion International after more than 40 years of service. Currently, he is a professor at Grace Communion Seminary and Fuller Theological Seminary. He and his wife also serve in Odyssey in Christ ministry with passions on health of the church, missions, and spiritual formation.

About the Graduation Song

“Write Your Story”, written and sung by Francesca Batistelli, tells us to immerse ourselves in God and Holy Spirit. It relates to our “Fertile Void”, being totally open to the lead of the Holy Spirit, giving Him permission to do what He needs to do, for however long it takes.

GRADUATION SONG

“Write Your Story”

They say
You're the King of everything
The One who taught the wind to sing
The Source of the rhythm my heart keeps beating

They say
You can give the blind their sight
And You can bring the dead to life
You can be the hope my soul's been seekin'
I wanna tell You now that I believe it
I wanna tell You now that I believe it
I do, that You can make me new, oh

[Chorus]
I'm an empty page
I'm an open book
Write Your story on my heart
Come on and make Your mark
Author of my hope
Maker of the stars
Let me be Your work of art
Won't You write Your story on my heart
Write Your story, write Your story
Come on and write Your story, write Your story
Won't You write Your story on my heart

My life
I know it's never really been mine
So do with it whatever You like
I don't know what Your plan is
But I know it's good, yeah
I wanna tell You now that I believe in
I wanna tell You now that I believe in
In You, so do what You do, oh

[Chorus]
I'm an empty page
I'm an open book
Write Your story on my heart
Come on and make Your mark
Author of my hope
Maker of the stars
Let me be Your work of art
Won't You write Your story on my heart
Write Your story, write Your story
Come on and write Your story, write Your story
Won't You write Your story on my heart

[Bridge]
I want my history
To be Your legacy
Go ahead and show this world
What You've done in me
And when the music fades
I want my life to say
I let You write Your story, write Your story
Write Your story, write Your story

[Chorus x2]
I'm an empty page
I'm an open book
Write Your story on my heart
Come on and make Your mark
Author of my hope
Maker of the stars
Let me be Your work of art
Won't You write Your story on my heart
Write Your story, write Your story
Come on and write Your story, write Your story
Won't You write Your story on my heart
